Declaration of RoHS Compliance

We hereby declare that the named product fully complies with the European Directive 2011/65/EU of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment and all subsequent amendments.

Declaration of Compliance with the REACH-Regulation (EC) 1907/2006

SCHLEIFRING GmbH is in terms of REACH-Regulation 1907/2006 a so-called "downstream user".

Since we are neither manufacture nor create substances or chemicals, we are not obliged to register or pre-register any of our products.

Our products are finished or semi-finished materials and not substances, so they are not obligatory for registration.

The raw materials we are using are exempt from registration or are already registered by our suppliers

Substances of Very High Concern (SVHC) acc to Art. 33 REACH-directive

This product contain lead (EC number: 231-100-4, CAS number: 7439-92-1) as part of copper alloys with more than 0.1%. Lead is bound as an alloying-element, so no exposure is expected. Therefore, there is no more additional declaration for safety usage necessary.

Based on today's knowledge this product does not contain any other substances of very high concern (SVHC) listed on the candidate list of the European Chemicals Agency ECHA.

The candidate list of ECHA is available under <http://echa.europa.eu/candidate-list-table>

We follow the obligation according chapter 33 of the REACH regulation, and inform our customers immediately, if we have new knowledge about other „substances of very high concern ", contained in this product in a concentration over the limit of 0, 1 % by weight.

This declaration is valid for all above mentioned products from SCHLEIFRING GmbH.
